

## **Report to the American Association of Biological Anthropologists (AABA)**

### **Auction Report**

**Shara Bailey and Madelynne Dudas**

Madelynne and I report the following for 2022:

The Live auction (23 items) brought in \$3,295. The Silent Auction (115 items) brought in \$3,608. The 50/50 raffle winner donated the proceeds, which totaled \$273. For a grand total of Total = \$7,176. This is a bit less than previous years, but not unexpected given the lower attendance this year than pre-pandemic.
