

## Auction Committee

Report to the American Association of Biological Anthropologists (AABA)  
2024

The 2024 Auction was held on Thursday, March 21<sup>st</sup> from 2:00-7:00pm. This year, the event centered on a silent auction of 206 items ranging from books, hand made items, jewelry, artwork, and gift certificates donated by AABA supporters. Raffle tickets for the 50/50 prize, gift certificates, and drink tickets were sold for \$1.00 each, yielding \$461. This year's guest was Hummingbird Meadows, a local drag queen, who entertained us and did the honor of pulling raffle ticket winners. In total, the auction generated \$10,628 (a 15% increase over 2023!) to be used in support of student travel to subsequent AABA meetings.
